- To-do-list - React JS, CSS.

Professional Experience

One month work experience at 'l'Institut de Commerce et de Services' in Nice, France...

I developed a mobile app for teachers and students to use. Both user types have an agenda to refer to and the teacher has additional functions, adding meetings and signalling attendance/absence of students.

Over thirteen years experience working in Logistics, Storage and Distribution...

Sony Music, Warner Bros. Videos, Cinram, MedTours, Guaber UK, Gist Logistics, Spotless Punch.

Around five years experience in Sales and Marketing...

MRI Overseas Properties, DreamHomes, Easytax France.
